TOGO™ Mini

Packing Includes:

1. TOGO Mini x 1
2. CLOCC 0.5Ω(SS316L) x 1
3. CLOCC 1.0Ω(NiCr) x 1
4. Pyrex glass x 1
5. Micro USB cable x 1
6. Manual x 1

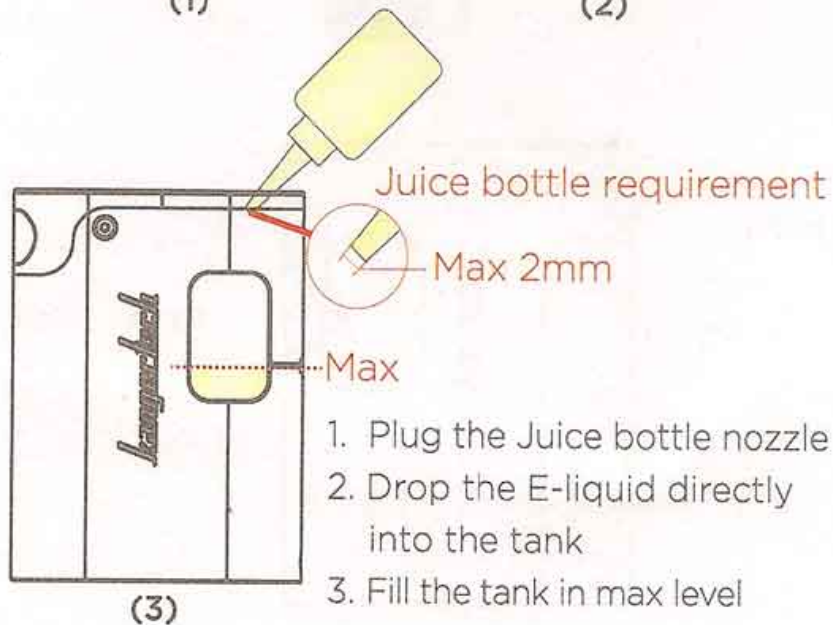

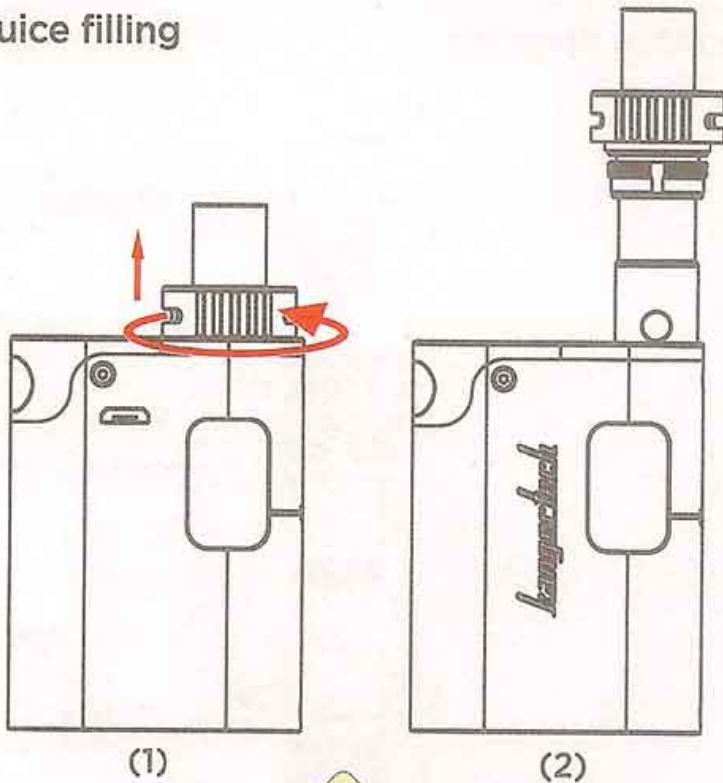

Specification

Height:	76.5mm
Length:	44mm
Width:	22.5mm
Weight:	140g
Capacity:	3.8mL
Drip tip:	POM
Suitable Coil:	CLOCC
Color:	Black/Orange/Red
Coil resistance:	≥0.15Ω
Battery:	Built-in Li-battery 1600mAh
Charging:	Micro USB charge port, DC5V 1000mAh(MAX)

Assemble diagram

Juice filling

Operating:

1. LED lights when press the fire button to vapes; LED lights off when release the fire button, and atomizer stops vaping.
2. 5 speedy clicks to switch on/off the battery.
3. LED will flash 3 times when atomizer resistance value is less than 0.15Ohm or short circuit.
4. LED will flash 15 times and stop function when battery is drained out, user needs to charge the battery.
5. LED lights while charging, all 5 LED light when fully charged.
6. It will stop functioning automatically when 10 seconds overused.
7. Built-in high-capacity battery.
8. LED will flash 6 times and stop functioning when PCB temperature is too high.

Warning

1. Do not charge the device outdoors or near water.
2. Do not use this device for anything other than vaping.
3. Do not swallow the e-liquid
4. Disassemble the device will invalidate your warranty.

5. Do not look into the drip tip while vaping to prevent juice from spitting in your eyes.
6. Do not use the device while driving.
7. Do not dispose battery to fire or use it in extreme temperature.
8. Suitable temperature range of using is 5-45 degree.
9. This device is not designed to be a smoking cessation device.
10. Use the provided tank and battery as a kit and do not use with other tank or battery separately.
11. Switch off the device when put into your pocket to prevent accidental firing.
12. This device is designed for adults. It should not be used by children under the age of their local smoking or vaping laws, women who are pregnant, or those suffering from illness that could be worsened by the use of this product. Keep all components away from children and pets
13. This device should be repaired by qualified person only.
14. If you have an adverse reaction in the use of this product, stop using it immediately and seek medical assistance.
15. Nicotine E-liquid, which is a highly addictive substance.
16. If the device drops down, check the device is not loose, there is no leakage of e-liquid, and the mouthpiece is not damaged. Ensure that no parts are cracked or deformed before reuse.
